Subject: Re: Route 7 Safety

Kay,
Thanks for taking on this initiative. I suggest putting a traffic turning signal on the intersection of RT 7 and Laurel lane. The left turns in/out of our restaurant and Laurel Lane are hugely perilous. I've spoken to Rudy about this intersection before. There have been many accidents here. The cars coming down Rt7 usually exceed the speed limit, which increases the likelihood of a serious accident. I am praying that we don't have a fatality at this intersection.
Please help!
Thanks,
Ron

Dear Ron:

I met you when you participated in the ECDC Tiger Shark Tank a few years back - thanks again for being a part of that!

I'm interested in your ideas about the Route 7 safety situation.

From your perspective, is there anything immediate that could be done to improve the situation?

I wanted to bring any thoughts to our next ECDC meeting on Monday, July 6. You are welcome to attend if you would like to share anything on this topic directly.

Thanks for your thoughts,

Kay
