

## **Town of Ridgefield Form of Government Committee**

### **For Immediate Release**

*Ridgefield, CT, January 2, 2025;* -- The Town of Ridgefield Form of Government Committee is holding public hearings on Thursday, January 23, 7 PM, and Saturday, January 25, 10:30 AM. Members of the public can attend in person at Town Hall's large conference room or by Zoom. (The Zoom link will be posted in the public hearing notice on the committee's [website page](#) .)

The Board of Selectpersons appointed this committee to research whether alternatives or enhancements to our current form of government would better serve the needs of residents. So, hearing from members of the public is critical to the committee's work. At the public hearings, you can learn about the committee's process, express your opinions on what aspects of Ridgefield's government are working well and what might be improved, and hear the views of your fellow citizens.

The committee also welcomes public input at the start of each of its meetings, which are generally held on the first and third Monday of each month, at 7 PM, usually in the Town Hall large conference room.
