Update from Mr. Sergiovanni

Course:

1. Paving projects are complete.
2. Both the riding and walking bridges on hole #10 are complete. Cleanup of work areas will continue as time allows.
3. Aeration of greens and #17 tee are complete.
4. Beavers in the Sarah Bishop Rd area are creating water issues for the course between the 16th green and 17th tee. Due to damming the walkway is oftentimes not passable. A permit has been applied to have state approved trappers catch and relocate the beavers.
5. Golf cart communication back to pro shop has not been as successful as hoped for given the poor cellular communication through much of the course.
6. The lottery will begin Tuesday, May 20th prior to Memorial Day weekend.

Financials:

1. Membership enrollments are on track with previous years.
2. Calendar year to date revenue is also on track but weather dependent.

Old Business

There was no old business.

New Business
