Call to order:

Ms. Baker, Chair, called the meeting to order at 7:00 PM.

II: Discussion:

1. **(Contd) IW-25-36; 25 Chestnut Hill Road;** Summary Ruling application to correct a wetlands violation of site work within the upland review area of wetlands and watercourses. Owner/Applicant: Michael Daher. <https://ridgefieldct.portal.opengov.com/records/102280>

Mr. Johnson shared the site map while Mr. Daher discussed the proposed remedy to a wetlands violation. A soil scientist came to the property and determined that most of the disturbed vegetation was invasive and the site has begun to stabilize itself. The soil scientist suggested a native conservation seed mix planting to aid in stabilization. There is also difficulty with line of site exiting the driveway from the home, so Mr. Daher has asked for permission as part of the application to maintain the vegetation along the roadway every few weeks and for the revegetated area to be maintained twice each year.

Discussion ensued by the IWB to clarify the remedy to the violation and associated maintenance.

Mr. Bishop motioned to approve the Summary ruling as described. Mr. Pilch seconded. Motion carried 7-0. Publication date September 18, 2025. Effective date September 19, 2025.
