Update from Mr. Sergiovanni

Financials:

1. July, August & September were record months for revenue
2. 2025-2026 fiscal year revenue are off to a great start.

Course:

1. 7th tee box renovation had started
2. Green aeration was necessary and was to start the week of 10/20.
3. In the spring, driving range netting on north side will need to be replaced for safety reasons. Estimated cost is \$75,000.
4. The courses irrigation system is approaching the end of it's useful life. Replacement parts are expensive and hard to find. The single row irrigation system is insufficient during drought times. Mr. Sergiovanni will look to include replacement in a future year's budget.

No new business.
